

Environmental Policy Statements

Review 19/01/2024

Compliance Manager
Steve Wood

The nature of Richard Lester Transport Limited business means that it is potentially environmentally unfriendly. However, we are committed to minimising the impact of our activities on the environment.

1. The key points of its strategy to achieve this are:

- 1.1 Minimise waste by evaluating our operations and ensuring they are as efficient as possible.
- 1.2 Take steps to improve our environmental efficiency and to minimise toxic emissions of our transport fleet by
 - 1.2.1 ensuring that our fleet of vehicles is as modern as possible, 1.2.2 training all of our drivers in the most economical way to drive
- 1.3 Actively promoting recycling amongst its customers and suppliers:
- 1.4 Meet or exceed all the environmental legislation that relates to the Company / Company's business
- 1.5 Ensure that vehicles are serviced in accordance with the manufacturer's recommendations.
- 1.6 Ensure that the garages / workshops subscribe to our environmental ideals as stated here.
- 1.7 Use an accredited programme to offset the greenhouse gas emissions generated by activities

The management of Richard Lester Transport Ltd and Stephen Wood will ensure that this Policy is reviewed regularly.
